STEM Club-Science, Technology, Engineering, Math

This is an event for Grades 1-8 students

January 14th and 30th from 6:00 - 7:30

We will be working with 3D printing 101 – design of antique radio knob (or another item from home) using Fusion 360 3D software.

If you have never been to a STEM Club night before and are curious about Science, Technology, Engineering and Math, come on out.
